Dated: April 26, 2018
This proxy statement and accompanying proxy card are furnished in connection with the solicitation by the board of directors of Wireless Telecom Group, Inc., a New Jersey corporation (the “Company”), of proxies in the enclosed form for the Annual Meeting of Shareholders (the “Meeting”) to be held at the offices of Bryan Cave Leighton Paisner LLP, 1290 Avenue of the Americas, 35th Floor, New York, NY 10104, on Monday, June 5, 2018, at 9:00 a.m., local time, and for any adjournment or adjournments thereof, for the purposes set forth in the foregoing Notice of Annual Meeting of Shareholders. The persons named in the enclosed proxy form will vote the shares of the Company’s common stock, par value $0.01 per share (the “Common Stock”), for which they are appointed in accordance with the directions of the shareholders appointing them. The principal executive offices of the Company are located at 25 Eastmans Road, Parsippany, New Jersey 07054. The date on which this proxy statement and the accompanying form of proxy will first be mailed to the Company’s shareholders is April 26, 2018.

At the Meeting, the following proposals will be presented to the shareholders:

1. To elect each of Alan L. Bazaar, Joseph Garrity, Mitchell Herbets, Michael Millegan, Allan D.L. Weinstein and Timothy Whelan as a member of the Company’s board of directors, for a term of one year and until their respective successors are elected and qualified; and

2. To ratify the selection of PKF O’Connor Davies, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2018.

Copies of the Company’s Annual Report containing audited financial statements of the Company for the fiscal year ended December 31, 2017, are being mailed together with this proxy statement to all shareholders entitled to notice of and to vote at the Meeting.

OUTSTANDING SHARES AND VOTING RIGHTS

Only holders of record of shares of Common Stock as of the close of business on April 20, 2018 (the “Record Date”) are entitled to vote at the Meeting. On the Record Date, there were 20,979,651 shares of Common Stock outstanding and entitled to be voted at the Meeting. Each outstanding share of Common Stock as of the Record Date is entitled to one vote on all matters to be acted upon at the Meeting. A complete list of shareholders of record entitled to vote at the Meeting will be available for inspection by any shareholder for any purpose germane to the Meeting for 10 days prior to the Meeting during ordinary business hours at the Company’s headquarters located at 25 Eastmans Road, Parsippany, New Jersey 07054.

Many of the Company’s shareholders hold their shares through a broker, bank or other nominee, rather than directly in their own name. There are some important distinctions between being a shareholder of record and being the beneficial owner of shares held in the name of a nominee.

- **Record holder of shares.** If your shares of Common Stock are registered directly in your name with the Company’s transfer agent, American Stock Transfer & Trust Company, LLC, you are considered, with respect to those shares, the holder of record, and these proxy materials have been sent directly to you. As the holder of record, you have the right to grant your voting proxy directly to the persons named on the enclosed proxy card or to vote in person at the Meeting. A proxy card is enclosed with this proxy statement for your use.

- **Beneficial owner.** If your shares of Common Stock are held in a stock brokerage account or by a bank or other nominee, you are considered, with respect to those shares, the beneficial owner of shares held in “street name,” and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the holder of record. As the beneficial owner, you have the right to direct your broker or nominee how to vote and are also invited to attend the Meeting. However, since you are not the holder of record, you may not vote these shares in person at the Meeting. Your broker or nominee has enclosed a voting instruction card with this proxy statement for your use in directing the broker or nominee how to vote your shares. Shares of Common Stock held in street name may be voted in person by you only if you obtain a signed proxy from the holder of record giving you the right to vote the shares. If you wish to vote such shares in person at the Meeting, you must bring to the Meeting the signed proxy from the holder of record giving you the right to vote in person.

Attendance at the Meeting is generally limited to our shareholders and their authorized representatives. All shareholders must bring an acceptable form of identification, such as a driver’s license, in order to attend the Meeting in person. In addition, if you hold shares of Common Stock in “street name” and would like to attend the Meeting, you will need to bring an account statement or other acceptable evidence of ownership of shares as of the close of business on the Record Date for the Meeting. However, those who hold shares in “street name” cannot vote their shares at the Meeting without a legal proxy.

Shares of Common Stock represented by proxies that are properly executed, duly returned and not revoked will be voted in accordance with the instructions contained therein. A return envelope, which requires no postage if mailed in the United States, is enclosed for your convenience. If you give your proxy but do not include specific instructions on how to vote, the individuals named as proxies will vote your shares as follows:

- FOR the election of the board of directors’ nominees for director; and

- FOR the ratification of the appointment of PKF O’Connor Davies, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018.
If other matters are properly presented at the Meeting, the individuals named as proxies will have the discretion to vote on those matters for you in accordance with their best judgment. At this time we know of no other matter to be presented at the Meeting.

Any shareholder giving a proxy has the power to revoke such proxy at any time before it is voted by (i) filing written notice of such revocation with the Secretary of the Company, (ii) submission of a duly executed proxy bearing a later date, or (iii) voting in person at the Meeting. Attendance at the Meeting will not in and of itself constitute a revocation of a proxy. Any written notice revoking a proxy should be sent to: Michael Kandell, Secretary, Wireless Telecom Group, Inc., 25 Eastmans Road, Parsippany, New Jersey 07054.

A quorum is required for the Company’s shareholders to conduct business at the Meeting. The presence at the Meeting, in person or by proxy, of the holders of a majority of the shares entitled to vote at the Meeting (a majority of the outstanding shares of the Company’s common stock as of the Record Date) will constitute a quorum, permitting us to conduct the business of the Meeting. Please carefully consider the information contained in this proxy statement and, whether or not you plan to attend the Meeting, submit your vote promptly so that we can be assured of having a quorum present at the Meeting and so that your shares may be voted in accordance with your wishes even if you later decide not to attend. Abstentions and “broker non-votes” (described below) will be counted for purposes of determining whether there is a quorum for the transaction of business at the Meeting.

Directors are elected by a plurality of the votes cast by holders of shares entitled to vote thereon at the Meeting (in person or by proxy). Only shares that are voted in favor of a particular nominee will be counted toward such nominee’s achievement of a plurality. Shares present at the Meeting that are not voted for a particular nominee or shares present by proxy where the shareholder properly withheld authority to vote for such nominee will not be counted toward such nominee’s achievement of a plurality.

The affirmative vote of a majority of the votes cast by holders of shares entitled to vote thereon at the Meeting (in person or by proxy) is required for ratification of the appointment of PKF O’Connor Davies, LLP as the Company’s independent registered public accounting firm for the 2018 calendar year. See below for a discussion of the effect of abstentions and broker non-votes.

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee has not received voting instructions from the beneficial owner in a timely fashion and does not have discretionary voting power with respect to that matter because it is considered non-routine. Under the current rules of the New York Stock Exchange, brokers have discretionary authority with respect to the ratification of the appointment of PKF O’Connor Davies, LLP as the Company’s independent registered public accounting firm for the 2018 calendar year, and may therefore vote your shares with respect to such proposal if such broker does not receive instructions from you. However, brokers or other nominees may not exercise discretionary voting power with respect to the election of directors as director elections are considered to be non-routine. Therefore, if a broker or other nominee has not received voting instructions from the beneficial owner with respect to the election of directors, such nominee cannot vote the relevant shares on the proposal. As a result, it is important that you provide appropriate instructions to your brokerage firm with respect to your vote.

**Effect of Abstentions and Broker Non-Votes:** If your shares are treated as an abstention or broker non-vote, your shares will only be counted for purposes of determining whether a quorum is present. Abstentions and broker non-votes will not be considered in determining the number of votes cast on a particular matter.
PROPOSAL 1
ELECTION OF DIRECTORS

General

The Company’s By-laws provide that the Company’s board of directors shall consist of up to nine members. The number of directors constituting the Company’s board of directors, as determined by the Company’s board of directors, is currently fixed at seven. At present, there are six directors serving on the Company’s board of directors. The board has determined to leave the vacancy at this time. At the meeting, the Company’s shareholders will be asked to vote for the election of six nominees to serve on the Company’s board of directors until the next annual meeting of shareholder or until their respective successors are elected and qualified. Shareholders may not vote for a greater number of persons than the number of nominees named.

If a proxy is properly executed but does not contain voting instructions, it will be voted “FOR” the election of each of the nominees named below as a director of the Company. Proxies can be voted only for persons who are nominated in accordance with applicable law and the procedures set forth in the Company’s By-laws. Management has no reason to believe that any of the nominees named below will be unable to serve as a director. However, in the event that any of the nominees should become unable or unwilling to serve as a director, the proxies may be voted for such substitute nominees as the Company’s board of directors may designate.

Independence of Directors

We apply the standards of the NYSE American exchange (the “NYSE American” or the “New York Stock Exchange”), the stock exchange upon which our Common Stock is listed, for determining the independence of the members of our board of directors and board committees. The Company’s board of directors has determined that all of the Company’s directors, except Mr. Whelan, are currently “independent” in accordance with the applicable listing standards of the New York Stock Exchange as currently in effect. Under applicable New York Stock Exchange rules, Mr. Whelan is not considered independent because he presently serves as the Company’s CEO. The board of directors considered the relationship of Alan Bazaar to Hollow Brook Wealth Management LLC, an 8.9% shareholder of the Company. Mr. Bazaar may be deemed to beneficially own 10.2% of the Company’s outstanding Common Stock, which includes the shares held by Hollow Brook Wealth Management LLC. The Board concluded, consistent with the guidance of the NYSE, that this significant stock ownership did not adversely affect Mr. Bazaar’s independence from management. There were no other relationships between the Company and any of the other directors to be considered by the board of directors in its independence determinations.

The purpose of the Compensation Committee is to carry out the overall responsibility of the board of directors relating to the compensation of the Company’s officers and directors and compensation policies, plans and programs. The members of the Compensation Committee during the fiscal year ended December 31, 2017 were Don C. Bell III and Messrs. Herbets, Millegan and Weinstein. Mr. Bell was a member of the Compensation Committee from January 2017 until June 2017. Mr. Weinstein became a member of the Compensation Committee in June 2017. The Company’s board of directors has adopted a Code of Business Conduct and Ethics (the “Code”) that outlines the principles of legal and ethical business conduct under which the Company does business. The Code, which is applicable to all directors, employees and officers of the Company, is available at the Company’s website at www.wirelesstelecomgroup.com. Any substantive amendment or waiver of the Code may be made only by the Company’s board of directors or a committee of the board of directors, and will be promptly disclosed to the Company’s shareholders on its website. In addition, disclosure of any waiver of the Code will also be made by the filing of a Current Report on Form 8-K with the SEC in accordance with the requirements thereof.

Director Nominations

The Nominating and Corporate Governance Committee is responsible for, among other things, the selection, or the recommendation to the Company’s board of directors for selection, of nominees for election as directors. The Company’s board of directors determines whether the Nominating and Corporate Governance Committee shall make director nominations as a committee or make recommendations to the board of directors with respect to director nominations. In selecting candidates for appointment, election or re-election to the board of directors, the Nominating and Corporate Governance Committee considers the following criteria:

- Personal and professional ethics and integrity, including a reputation for integrity and honesty in the business community.
• Experience as an executive officer of companies or as a senior leader of complex organizations, including scientific, government, educational, or large not-for-profit organizations. The committee may also seek directors who are widely recognized as leaders in the fields of technology, wireless systems, or business generally, including those who have received awards and honors in their field.

• Financial knowledge, including an understanding of finance, accounting, the financial reporting process, and company measures for operating and strategic performance.

• Fundamental qualities of intelligence, perceptiveness, fairness, and responsibility.

• Ability to critically and independently evaluate business issues, contributing diverse perspectives or viewpoints, and making practical and mature judgments.

• A genuine interest in the Company, and the ability to spend the time required to make substantial contributions as a director.

• No conflict of interest or legal impediment that would interfere with the duty of loyalty to the Company and its shareholders.

Directors should have varied educational and professional experiences and backgrounds that, collectively, provide meaningful guidance and counsel to management. Diversity of background, including gender, race, ethnic or national origin, age, and experience in business, government, education, international experience and other areas relevant to the Company’s business are factors in the selection process. As a company, we are committed to creating and sustaining a culture of inclusion and fairness. In addition, the Nominating and Corporate Governance Committee reviews the qualifications of the directors to be appointed to serve as members of the committees of the board, including the Audit Committee to ensure that they meet the financial literacy and sophistication requirements under New York Stock Exchange rules and that at least one of them qualifies as an “audit committee financial expert” under the rules of the SEC.

If the Nominating and Corporate Governance Committee believes that the Company’s board of directors requires additional candidates for nomination, the Committee may engage, as appropriate, a third party search firm to assist in identifying qualified candidates and will consider recommendations from the Company’s directors and officers.

**Shareholder Nominations of Directors**

Shareholders may nominate persons for election to our board of directors at a meeting of shareholders in the manner provided in our By-laws, which include a requirement to comply with certain notice procedures. Nominations shall be made pursuant to written notice addressed to our principal executive offices set forth on page 1 of this proxy statement, and for the Annual Meeting of Shareholders in 2019, must be received not less than ninety (90) days nor more than one hundred twenty (120) days prior to the anniversary date of the 2018 Annual Meeting of Shareholders, or no later than March 7, 2019 and no earlier than February 5, 2019.

**Board Leadership Structure and Role in Risk Oversight**

The board of directors oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance shareholder value. Risk management includes not only understanding company specific risks and the steps management implements to manage those risks, but also what level is acceptable and appropriate for the Company. Management is responsible for establishing our business strategy, identifying and assessing the related risks and implementing the appropriate level of risk for the Company. The board of directors meets with management at least quarterly to review, advise and direct management with respect to strategic
business risks, operational risks and financial risks, among others. The board of directors also delegates oversight to board committees to oversee selected elements of risk.

The Audit Committee oversees financial risk exposures, including monitoring the integrity of the Company’s financial statements, internal control over financial reporting, and the independence of the Company’s independent registered public accounting firm. The Audit Committee receives periodic internal controls and related assessments from the Company’s finance department. The Audit Committee also assists the board of directors in fulfilling its oversight responsibility with respect to compliance matters and meets at least quarterly with our finance department and independent registered public accounting firm to discuss risks related to our financial reporting function. In addition, the Audit Committee ensures that the Company’s business is conducted with the highest standards of ethical conduct in compliance with applicable laws and regulations by monitoring our Code of Conduct and by directly monitoring the Company’s whistleblower hotline.

The Compensation Committee participates in the design of compensation structures that create incentives that encourage a level of risk-taking behavior consistent with the Company’s business strategy as is further described in the Executive Compensation section below. The Company believes its compensation policies and practices for all employees do not create risks that are reasonably likely to have a material adverse effect on the Company.

The Nominating and Corporate Governance Committee oversees governance-related risks by working with management to establish corporate governance guidelines applicable to the Company, and making recommendations regarding director nominees, the determination of director independence, leadership structure and membership on the committees of the board of directors.

The Company separates the roles of CEO and Chairman of the board of directors in recognition of the differences between the two roles. Additionally, having an independent director serve as the Chairman of the board of directors is an important aspect of the Company’s corporate governance policies. All of the members of the board of directors are “independent” within the standards of the New York Stock Exchange, except Mr. Whelan, our CEO. Our board of directors receives periodic presentations from our executive officers regarding our compliance with our corporate governance practices. While our board of directors maintains oversight responsibility, management is responsible for our day-to-day risk management processes. Our board of directors believes this division of responsibility is an effective approach for addressing the risks we face. The independent members of our board of directors, as defined by SEC rules and New York Stock Exchange listing standards, meet in executive sessions in conjunction with regularly scheduled quarterly board meetings. Mr. Alan Bazaar presided over the executive sessions in 2017.

Communications by Shareholders with Directors

The Company encourages shareholder communications to the Company’s board of directors and/or individual directors. Shareholders who wish to communicate with the Company’s board of directors or an individual director should send their communications to the director(s) care of Timothy Whelan, Chief Executive Officer, Wireless Telecom Group, Inc., 25 Eastmans Road, Parsippany, New Jersey 07054; or Fax: (973) 386-9191. Communications regarding financial or accounting policies should be sent to the attention of the Chairman of the Audit Committee. All other communications should be sent to the attention of the Chairman of the Nominating and Corporate Governance Committee. Mr. Whelan will maintain a log of such communications and will transmit as soon as practicable such communications to either the Chairman of the Audit Committee or the Chairman of the Nominating and Corporate Governance Committee, as applicable, or to the identified individual director(s), although communications that are abusive, in bad taste or that present safety or security concerns may be handled differently, as determined by Mr. Whelan.
Director Attendance at Annual Meetings

The Company will make every effort to schedule its annual meeting of shareholders at a time and date to accommodate attendance by directors taking into account the directors’ schedules. All of our directors who were then incumbent attended the Company’s 2017 annual meeting of shareholders. All directors and director nominees are expected to attend the Meeting.

Vote Required and Recommendation of the Company’s Board of Directors

If a quorum is present at the Meeting, the six nominees for directors receiving the highest number of votes cast “FOR” will be elected as directors of the Company, each to serve until the next annual meeting of the Company’s shareholders or until their respective successors are elected and qualified.

THE COMPANY’S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE ELECTION OF EACH OF THE NOMINEES NAMED ABOVE TO THE COMPANY’S BOARD OF DIRECTORS. PROXIES SOLICITED BY THE BOARD WILL BE VOTED “FOR” EACH NOMINEE UNLESS SHAREHOLDERS SPECIFY A CONTRARY VOTE.
AUDIT COMMITTEE REPORT

The Audit Committee is composed of independent directors, as defined in the listing standards of the NYSE, and operates under a written charter adopted by the board of directors. The current members of the Company’s Audit Committee are Joseph Garrity, Alan L. Bazaar and Allan D.L. Weinstein.

The following is the report of the Audit Committee with respect to the Company’s audited financial statements for the fiscal year ended December 31, 2017. The information contained in this report shall not be deemed to be soliciting material or to be filed with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent that the Company specifically incorporates it by reference in such filing.

In connection with the preparation and filing of the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2017:

1. The Audit Committee reviewed and discussed the audited financial statements with management;

2. The Audit Committee discussed with PKF O’Connor Davies, LLP (“PKF”), the Company’s independent registered public accounting firm, the matters required to be communicated by Public Company Accounting Oversight Board (“PCAOB”) Auditing Standard No. 16, as amended, “Communications with Audit Committees”; and

3. The Audit Committee reviewed the written disclosures and the letter from PKF required by applicable requirements of the PCAOB regarding the independent auditors’ communications with the Audit Committee concerning independence, and discussed with the auditors their independence and satisfied itself as to the auditor’s independence.

Based on the review and discussion referred to above, the Audit Committee recommended to the Company’s board of directors that the Company’s audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2017, for filing with the SEC.

EXECUTIVE COMPENSATION

Overview

The goal of our executive compensation program is the same as our goal for operating the Company: to create long-term value for our shareholders. Toward this goal, we have designed and implemented our compensation programs for our named executive officers to reward them for sustained financial and operating performance and leadership excellence, to align their interests with those of our shareholders and to encourage them to remain with the Company for long and productive careers. Most of our compensation elements simultaneously fulfill one or more of our performance, alignment and retention objectives. These elements consist of salary and bonuses, equity incentive compensation, retirement and other benefits. In deciding on the type and amount of compensation for each executive, we focus on both current pay and the opportunity for future compensation. We combine the compensation elements for each executive in a manner we believe optimizes the executive’s contribution to the Company.

Compensation Objectives

Performance. Key elements of compensation that depend on the named executive officer’s performance include:

• a discretionary cash bonus that is based on an assessment of his performance against pre-determined quantitative and qualitative measures within the context of the Company’s overall performance; and

• equity incentive compensation in the form of stock options and restricted stock, which are subject to vesting requirements that depend on the executive or the Company meeting specific performance objectives and require continued service by the executive with the Company.

Base salary and bonus are designed to reward annual achievements and be commensurate with the executive’s scope of responsibilities, demonstrated leadership abilities, and management experience and effectiveness. Our equity incentive compensation is focused on motivating and challenging each named executive officer to achieve superior, longer-term, sustained results.

Alignment. We seek to align the interests of the named executive officers with those of our investors by evaluating executive performance on the basis of key financial measurements which we believe closely correlate to long-term shareholder value, including revenue, operating profit, earnings per share, operating margins, return on total equity or total capital, cash flow from operating activities, total shareholder return and adjusted earnings before interest, taxes, depreciation expense, amortization expense and other non-recurring expenses (“Adjusted EBITDA”). We believe that our equity incentive compensation awards align the interests of the named executive officers with the interests of our shareholders because we have structured the vesting of the awards to relate to achieving specific performance objectives and the total value of the awards corresponds to stock price appreciation.

Retention. We attempt to retain our executives by using continued service as part of the vesting terms of our equity compensation awards.

Implementing Our Objectives

Determining Compensation. Our Compensation Committee relies upon its judgment in making compensation decisions, after reviewing the performance of the Company and carefully evaluating an executive’s performance during the year against predetermined established goals, relating to leadership qualities, operational performance, business responsibilities, career with the Company, current compensation
arrangements and long-term potential to enhance shareholder value. Specific factors affecting compensation
decisions for the named executive officers include:

- key financial measurements such as revenue, operating profit, earnings per share, operating margins, return on total equity or total capital, cash flow from operating activities, total shareholder return and Adjusted EBITDA;

- strategic objectives such as acquisitions, dispositions or joint ventures, technological innovation and globalization;

- promoting commercial excellence by launching new or continuously improving products or services, being a leading market player and attracting and retaining customers;

- achieving specific operational goals for the Company, including improved productivity, simplification and risk management;

- achieving excellence in their organizational structure and among their employees; and

- supporting our values by promoting a culture of unyielding integrity through compliance with law and our ethics policies, as well as commitment to community leadership and diversity.

We generally do not adhere to rigid formulas or react to short-term changes in business performance in
determining the amount and mix of compensation elements. We consider competitive market compensation paid
by other companies, but we do not attempt to maintain a certain target percentile within a peer group or otherwise rely on those data to determine executive compensation. We incorporate flexibility into our compensation programs and in the assessment process to respond to and adjust for the evolving business environment.

We strive to achieve an appropriate mix between equity incentive awards and cash payments in order
to meet our objectives. Any apportionment goal is not applied rigidly and does not control our compensation
decisions; we use it as another tool to assess an executive’s total pay opportunities and whether we have provided the appropriate incentives to accomplish our compensation objectives. Our mix of compensation elements is designed to reward recent results and motivate long-term performance through a combination of cash and equity incentive awards. We also seek to balance compensation elements that are based on financial, operational and strategic metrics, including elements intended to reflect the performance of our shares. We believe the most important indicator of whether our compensation objectives are being met is our ability to motivate our named executive officers to deliver superior performance and retain them to continue their careers with us on a cost-effective basis.

**Role of Compensation Committee and CEO.** The Compensation Committee of our board has primary responsibility for overseeing the design, development and implementation of the compensation program for the CEO and the other named executive officers. The Compensation Committee evaluates the performance of the CEO and recommends to all independent directors the CEO compensation in light of the goals and objectives of the compensation program. The CEO and the Compensation Committee together assess the performance of the other named executive officers and the Compensation Committee determines their compensation, based on initial recommendations from the CEO. The other named executive officers do not play a role in their own compensation determination, other than discussing individual performance objectives with the CEO.

**Role of Compensation Consultants.** We did not use the services of any compensation consultant in matters affecting senior executive or director compensation in 2017 or 2016. However, we have engaged with compensation consultants in the past and either the Company or the Compensation Committee may engage or seek the advice of compensation consultants in the future.
**Equity Grant Practices.** The exercise price of each stock option awarded to our named executive officers under our current long-term equity incentive plan is the closing price of our stock on the date of grant. Scheduling decisions are made without regard to anticipated earnings or other major announcements by the Company. We prohibit the re-pricing of stock options. Restricted stock awards for our named executive officers and our stock option awards typically provide for vesting over a requisite service period or when performance targets, pre-determined by our board are achieved. The vesting structure of our equity grants is intended to further our goal of executive retention by providing an incentive to our senior executives to remain in our employ during the vesting period.

**Potential Impact on Compensation from Executive Misconduct.** If the board determines that an executive officer has engaged in fraudulent or intentional misconduct, the board would take action to remedy the misconduct, prevent its recurrence, and impose such discipline on the wrongdoers as it deems appropriate and permissible in accordance with applicable law. Discipline would vary depending on the facts and circumstances, and may include, without limitation, (1) termination of employment, (2) initiating an action for breach of fiduciary duty, and (3) if the misconduct resulted in a significant restatement of the Company’s financial results, seeking reimbursement of any portion of performance-based or incentive compensation paid or awarded to the executive that is greater than would have been paid or awarded if calculated based on the restated financial results. These remedies would be in addition to, and not in lieu of, any actions imposed by law enforcement agencies, regulators or other authorities.

**Measures Used to Achieve Compensation Objectives**

**Annual Cash Compensation**

**Base salary.** Base salaries for our named executive officers depend on the scope of their responsibilities, their performance, and the period over which they have performed those responsibilities. Decisions regarding salary increases take into account the executive’s current salary and the amounts paid to the executive’s peers within and outside the Company. Base salaries are reviewed approximately every 12 months, but are not automatically increased if the Compensation Committee believes that other elements of compensation are more appropriate in light of the Company’s stated objectives. This strategy is consistent with the Company’s primary intent of offering compensation that, in significant part, is contingent on the achievement of performance objectives.

**Bonus.** In April 2015, the Compensation Committee adopted an Officer Incentive Compensation Plan, or the Bonus Plan. The Bonus Plan is an incentive program designed to (i) attract, retain and motivate the executives required to manage the Company, (ii) promote the achievement of rigorous but realistic annual financial goals and (iii) encourage intensive fact-based business planning. The Compensation Committee is authorized to interpret the Bonus Plan, establish, amend or rescind any rules and regulations relating to the Bonus Plan and to make any other determinations that it deems necessary or desirable for the administration of the Plan.

Pursuant to the terms of the Bonus Plan, the Compensation Committee has the authority to select the Company’s employees that are eligible to participate in the Bonus Plan, who are referred to as participants. Each participant will be assigned a target award that is expressed (i) as a specified maximum bonus amount of cash, (ii) as a percentage of base salary as in effect on the first day of the applicable fiscal year or (iii) in such other manner as determined by the Compensation Committee. The Bonus Plan affords the Compensation Committee the full power and authority to establish the terms and conditions of any award and to waive any such terms or conditions at any time.

The payment of a target award is conditioned on the achievement of certain performance goals established by the Compensation Committee with respect to a participant. Bonuses paid under the Bonus Plan, if any, are based upon an annual performance period, corresponding to each fiscal year. For each performance period, participants are eligible to receive a potential bonus payment based on the participant’s and the Company’s achievement, respectively, of individual management objectives and corporate financial
performance elements. Under certain circumstances, the Compensation Committee is authorized to adjust or modify the calculation of any performance goal set for a participant. Furthermore, the Compensation Committee determines the amount of the award for the applicable performance period for each participant. Under the terms of the Bonus Plan, the Compensation Committee also retains the right to reduce the amount of or totally eliminate an award to a participant if it determines that such a reduction or elimination is appropriate.

Awards under the Bonus Plan, if any, will be distributed in lump sum cash payments following the Compensation Committee’s determination of such award. All payments under the Bonus Plan are contingent on satisfactory service through the last date of any applicable performance period, except as described in the Bonus Plan in the event of termination due to death, disability or retirement.

Prior to the adoption of the Bonus Plan, the CEO reviews with the Compensation Committee the Company’s estimated full-year financial results against the financial, strategic and operational goals established for the year, and the Company’s financial performance in prior periods. After reviewing the final full year results, the Compensation Committee and the board of directors approve total bonuses that were awarded from the maximum fund available based on the achievement of previously agreed to management objectives and final full-year financial performance. If applicable, bonuses are paid in the months of February, March or April following our December 31 fiscal year end.

The base salaries paid, and the annual bonuses awarded, to the named executive officers in 2017 and 2016 are shown in the Summary Compensation Table below and are discussed in the footnotes. See also the discussion below concerning the terms of the employment agreement with our CEO, Timothy Whelan.

**Equity Awards**

The Company’s equity incentive compensation program is designed to recognize scope of responsibilities, reward demonstrated performance and leadership, motivate future superior performance, align the interests of the executive with our shareholders’ and retain the executives through the term of the awards. We consider the grant size and the appropriate combination of stock options or restricted stock when making award decisions. Equity-based awards are made pursuant to the Company’s equity incentive plans. Our current equity-based employee compensation plan, the 2012 Incentive Compensation Plan, which we refer to as the 2012 Plan, was initially ratified by our shareholders in June 2012, and subsequently amended by the Company and ratified and approved by our shareholders in 2014 to provide for additional shares of Common Stock for future grants under the plan. We regard the 2012 Plan as a key retention tool. Retention serves as a very important factor in our determination of the type of award to grant and the number of underlying shares that are granted in connection with an award.

The Compensation Committee considers cost to the Company in determining the form of award and, as a result, typically grants stock options and restricted shares. In determining the size of an option or restricted stock grant to a named executive officer, both upon initial hire and on an ongoing basis, our Compensation Committee considers competitive market factors, the size of the equity incentive plan pool, cost to the Company, the level of equity held by other officers and individual contribution to corporate performance. Although there is no set target ownership level for options or stock, the Compensation Committee recognizes that the equity based component ensures additional focus by the named executive officers on stock price performance and enhances executive retention. The exercise price of stock options is tied to the fair market value of our Common Stock on the date of grant and such options typically vest either when performance targets, pre-determined by our board, are achieved, or over a requisite service period.

There is no set formula for the granting of awards to individual executives or employees. The number of options and shares of restricted stock awarded may vary up or down from year-to-year.

Equity incentive compensation is based upon the strategic, operational and financial performance of the Company overall and reflects the executives’ expected contributions to the Company’s future success. Existing
ownership levels are not a factor in award determination, as we do not want to discourage executives from holding significant amounts of our stock.

In 2017 three of our named executive officers received equity awards under the 2012 Plan. On January 2, 2017, Michael Kandell was granted options to purchase 100,000 shares at an exercise price of $1.91 per share which vest in equal annual installments over a period of 4 years or on the date on which a “Change of Control” (as defined in the Stock Compensation Agreements dated January 2, 2017) of the Company is consummated. On June 5, 2017, Timothy Whelan was granted options to purchase 200,000 shares at an exercise price of $1.65 per share which vest in equal quarterly installments over a period of 4 years or on the date on which a “Change of Control” (as defined in the Stock Compensation Agreements dated June 5, 2017). On June 15, 2017, Daniel Monopoli was granted options to purchase 40,000 shares at an exercise price of $1.60 per share which vest in equal annual installments over a period of 4 years or on the date on which a “Change of Control” (as defined in the Stock Compensation Agreements dated June 15, 2017) of the Company is consummated.

On June 30, 2016 Timothy Whelan was granted 8,333 shares of restricted common stock in connection with his appointment as the Company’s Chief Executive Officer. Additionally, on June 30, 2016, Mr. Whelan was granted options under the 2012 Plan to purchase 400,000 shares at an exercise price of $1.34 per share. These restricted shares and options vest in sixteen equal quarterly installments over a period of 4 years, or on the date on which a “Change of Control” (as defined in the Stock Compensation Agreements dated June 30, 2016) of the Company is consummated.

We believe that the vesting schedules of the equity awards granted in 2016 and 2017 aids the Company in motivating and retaining our Named Executive Officers, and provides shareholder value. See the footnotes to the Summary Compensation Table for further discussion regarding these equity compensation grants.

**Employment Agreement with CEO**

In connection with our retention of Timothy Whelan as Chief Executive Officer on June 30, 2016, the Company entered into an Employment Agreement with Mr. Whelan. The Employment Agreement has a term of one year with automatic renewals for successive one-year periods, unless either the Company or Mr. Whelan gives notice that such party is electing to not extend the term. Under the Employment Agreement, Mr. Whelan was originally entitled to an initial base salary of $275,000 per annum for his services as Chief Executive Officer, which is reviewed annually and may be adjusted by the Compensation Committee or the Board in their sole discretion. For the calendar year ending December 31, 2016, in addition to his base salary, Mr. Whelan was entitled to receive a cash incentive award of 50% of his base salary for meeting the performance targets determined by the Compensation Committee (the “2016 Annual Cash Bonus”). The Compensation Committee was also entitled to award the 2016 Annual Cash Bonus in an amount greater than 50% of his base salary for performance at greater than target levels. There was no 2016 Annual Cash Bonus earned by Mr. Whelan as determined by the Compensation Committee after the close of the 2016 fiscal year. For each calendar year thereafter, Mr. Whelan will be eligible to receive an annual cash incentive award at the discretion of the Compensation Committee.

Under the Employment Agreement, Mr. Whelan is entitled to at least four weeks of paid vacation per annum and general expense reimbursement for business and travel related expenses incurred in the performance of his duties. The Agreement provides that Mr. Whelan also be entitled to participate in such health, group insurance, welfare, pension, and other employee benefit plans, programs and arrangements as are made generally available from time to time to senior executives of the Company.

If Mr. Whelan’s employment is terminated by the Company without cause, upon a change of control or by Mr. Whelan for good reason (as such terms are defined in the Employment Agreement), in each case, subject to Mr. Whelan’s compliance with certain conditions, the Employment Agreement provides that Mr. Whelan is entitled to: (i) severance in an amount equal to the sum of one year of his salary as in effect immediately prior to the date of termination, which is payable in equal installments over a period of one-year, (ii) the cash amount...
Mr. Whelan has earned as of the date of termination as determined by the Compensation Committee in good faith, taking into account Mr. Whelan’s annual cash incentive award opportunity for the applicable year (the “Cash Bonus”), (iii) extension of the post-termination exercise period for all outstanding stock options of the Company’s common stock held by Mr. Whelan as of the date of his termination to the earlier of (a) the first anniversary of the date of termination, and (b) the date of expiration of the respective option, during which post-termination period such options shall continue to vest in accordance with their respective terms (to the extent not already fully vested) (the “Option Termination Benefits”), and (iv) his accrued salary and benefits as of the date of termination.

In the event that Mr. Whelan’s employment terminates due to his death or disability, he and he and/or his estate or beneficiaries (as the case may be) shall be entitled to (a) a single sum cash amount, payable on the 60th day following the date of termination, in an amount equal to the Cash Bonus, (b) the Option Termination Benefits and (c) his accrued salary and benefits as of the date of termination.

If Mr. Whelan’s employment is terminated by the Company for cause, by Mr. Whelan without good reason or upon expiration of the term of the Employment Agreement, he is entitled only to his accrued salary and benefits as of the date of termination.

On June 5, 2017, the Compensation Committee recommended, and the Board approved an extension of the Mr. Whelan’s Employment Agreement for an additional four year term at a base annual salary of $325,000 and the issuance of an option to purchase 200,000 shares which will vest in sixteen equal quarterly installments over four years. For the calendar year ending December 31, 2017, in addition to his base salary, the Compensation Committee recommended, and the Board approved, a cash incentive award of up to $200,000 upon attainment of performance targets determined by the Compensation Committee (the “2017 Annual Cash Bonus”). The Compensation Committee (or the independent members of the Board) were also entitled to award the 2017 Annual Cash Bonus in an amount greater than $200,000 for performance that exceeds the established targets. The bonus earned by Mr. Whelan for the 2017 Annual Cash Bonus was $77,600 as approved by the Compensation Committee on March 6, 2018.

Separation Agreement with Paul Genova

On May 22, 2017 the Company entered into a separation agreement with Paul Genova, President and Chief Operating Officer in connection with Mr. Genova’s departure from the Company effective June 30, 2017. Pursuant to the separation agreement Mr. Genova received a lump sum payment in the amount of $375,000, provided a general release of claims against the Company and its affiliates and agreed to a non-compete and non-solicit through June 30, 2018. The separation agreement provided for the termination of the severance agreement by and between the Company and Mr. Genova dated as of December 10, 2012.

Separation Agreement with Joseph Debold

On November 30, 2017 the Company entered into a Separation Agreement with Joseph Debold, Senior Vice President of Global Sales and Marketing. Mr. Debold stepped down from his position as Senior Vice President of Global Sales and Marketing on December 1, 2017. Pursuant to the separation agreement Mr. Debold received a lump sum payment in the amount of $243,750 in January 2018, provided a general release of claims against the Company and its affiliates and agreed to a non-compete and non-solicit through September 30, 2018.

(1) Mr. Whelan was appointed Chief Executive Officer on June 30, 2016. Previous to that date, Mr. Whelan was not employed by the Company but served as a member of the Board of Directors. He received $49,500 in compensation for board services in 2016. Mr. Whelan’s salary in 2016 represents the amount paid in connection with his six months of service with the Company as CEO.

(2) This bonus was earned by Mr. Whelan under the 2017 Bonus Plan and accrued in 2017, pending substantial completion of the 2017 financial statement audit and final compensation committee approval. The Compensation Committee approved the bonus on March 6, 2018.

(3) This amount was calculated based on the grant date fair value of our Common Stock in accordance with FASB ASC Topic 718. In 2016 Mr. Whelan was awarded 8,333 shares of service-based restricted Common Stock. The calculated aggregate grant date fair value of the service-based grant is approximately $11,200. In June of 2016 before being appointed Chief Executive Officer, Mr. Whelan was granted 30,000 shares of service-based restricted Common Stock as a non-employee director. These shares were forfeited upon being named Chief Executive Officer on June 30, 2016.

(4) In 2017 and 2016, Mr. Whelan was awarded 200,000 and 400,000 shares of service-based stock options, respectively. These options vest in sixteen equal quarterly installments over a four year period. The calculated aggregate grant date fair value of the service-based grant is approximately $173,386 and $303,000 in 2017 and 2016, respectively. The grant date fair value of the options was estimated using the Black-Scholes option pricing model. In June of 2016 before being appointed Chief Executive Officer, Mr. Whelan was granted 70,000 shares of service-based stock options as a non-employee director. These options were forfeited upon being named Chief Executive Officer on June 30, 2016.

(5) The amounts shown in this column include for each named executive officer the total estimated value of the use of a Company automobile, the premium paid on group term life insurance and accidental death and dismemberment insurance, the employer portion of medical, dental and vision benefits and the Company’s matching contribution under the Wireless Telecom Group, Inc. 401(k) Profit Sharing Plan.

(6) In addition to the amounts described in Note 5, this includes $49,500 in non-employee director fees Mr. Whelan received in 2016 prior to being named Chief Executive Officer.

(7) This bonus was earned by Mr. Kandell under the 2017 Bonus Plan and accrued in 2017, pending substantial completion of the 2017 financial statement audit and final compensation committee approval. The Compensation Committee approved the bonus on March 6, 2018.

(8) In 2017, Mr. Kandell was awarded 100,000 shares of service-based stock options which vest in annual equal installments over a four year period. The calculated aggregate grant date fair value of the service-based grant is approximately $110,781. The grant date fair value of the options was estimated using the Black-Scholes option pricing model.

(9) This amount represents a discretionary bonus Mr. Debold earned in 2017 upon successful completion of the CommAgility acquisition in February 2017.
In addition to the amounts described in Note 5, this includes $243,750 in severance accrued under Mr. Debold’s separation agreement and $70,000 earned in commissions during 2017.

This amount represents a $10,000 discretionary bonus Mr. Monopoli earned in 2017 upon the successful completion of the CommAgility transaction in February of 2017 and a $37,500 bonus earned under the 2017 Bonus Plan and accrued in 2017, pending substantial completion of the 2017 financial statement audit and final Compensation Committee approval. The Compensation Committee approved this bonus on March 6, 2018.

In 2017, Mr. Monopoli was awarded 50,000 shares of service-based stock options which vest in annual equal installments over a four year period. The calculated aggregate grant date fair value of the service-based grant is approximately $33,752. The grant date fair value of the options was estimated using the Black-Scholes option pricing model.

**Description of Bonus Awards for 2017**

In early 2017, the Compensation Committee determined management objectives, or MBOs, for each of Messrs. Whelan, Kandell and Monopoli and year-end financial performance targets for the Company in accordance with the Bonus Plan. Following the completion of the fiscal year ended December 31, 2017, the Compensation Committee reviewed the 2017 performance of each of those named executive officers and the Company, in relation to the various MBOs and financial performance targets. A component of each named executive officer’s bonus performance target reflected achievement of the individual MBOs, generally subject to achievement of minimum financial performance targets, and a portion was tied to the Company’s achievement of the financial performance targets.

The MBO bonus component, which represented 30% of each named executive officer’s 2017 target bonus amount, was based on the Compensation Committee’s quantitative assessment of the named executive officer’s achievement of specific, agreed to, MBO elements as established pursuant to the Bonus Plan. The financial performance bonus component of the 2017 bonus targets, which represented 70% of each named executive officer’s 2017 target bonus amount, was based on the Company’s achievement of an Adjusted EBITDA target established by the Compensation Committee with input from management. Upon review following the fiscal year ended December 31, 2017, the Compensation Committee determined, subject to satisfactory completion of the 2017 financial statement audit and final Compensation Committee action, that the named executive officers would be awarded for partial achievement of the MBO and financial performance components of the target 2017 bonus in the following amounts: Mr. Whelan: $77,600 which represents approximately 39% of his 2017 bonus target; Mr. Kandell: $49,500 which represents approximately 50% of his 2017 bonus target; and Mr. Monopoli: $37,500 which represents approximately 50% of his 2017 bonus target. Final approval of the 2017 bonus amounts were contingent on final Compensation Committee action, which was taken on March 6, 2018.

In addition to the 2017 Bonus Plan bonuses, each of Mr. Monopoli and Mr. Debold was awarded a discretionary bonus in the amount of $10,000 for successful completion of the CommAgility acquisition. This amount was paid in the first quarter of 2017.

Potential Payments upon Termination

Set forth below is a description of the employment and other similar agreements and arrangements which provide for payment upon termination with the Company’s named executive officers.

**Whelan Employment Agreement.** As described above (“Employment Agreement with CEO”), the Company has an employment agreement with Timothy Whelan, the Company’s CEO. That Employment Agreement provides for certain payments in the event of Mr. Whelan’s termination by the Company without cause or by Mr. Whelan for “good reason”. Specifically, if Mr. Whelan’s employment is terminated by the Company without cause, upon a change of control or by Mr. Whelan for good reason (as such terms are defined in the Employment Agreement), in each case, subject to Mr. Whelan’s compliance with certain conditions, the Employment Agreement provides that Mr. Whelan is entitled to: (i) severance in an amount equal to the sum of one year of his salary as in effect immediately prior to the date of termination, which is payable in equal installments over a period of one-year, (ii) the cash amount Mr. Whelan has earned as of the date of termination as determined by the Compensation Committee in good faith, taking into account Mr. Whelan’s annual cash incentive award opportunity for the applicable year, (iii) extension of the post-termination exercise period for all outstanding stock options of the Company’s common stock held by Mr. Whelan as of the date of his termination to the earlier of (a) the first anniversary of the date of termination, and (b) the date of expiration of the respective option, during which post-termination period such options shall continue to vest in accordance with their respective terms (to the extent not already fully vested), and (iv) his accrued salary and benefits as of the date of termination.

**Kandell Termination Agreement.** Under the terms of Mr. Kandell’s offer of employment, should Mr. Kandell’s employment be terminated by the Company for a reason other than death, Disability or Cause, or should Mr. Kandell resign for Good Reason (as defined in the Company’s 2012 Incentive Plan), then, subject to signing and not revoking a general release in a form acceptable to the Company, Mr. Kandell will be paid: (i) payment equal to 75% of his salary in effect at the time of termination payable in 9 semi-monthly installments; (ii) the amount, in the good faith determination of the Board, earned as of his termination date, under the bonus component of the then applicable bonus plan; and (iii) at the Company’s election either continuation of benefits, the extent permissible under the applicable employee benefit plans in which he is a participant, for the 9 months after the termination date, or a lump sum payment, in lieu of the continuation of some or all benefits, in an amount determined by the Board in its discretion.

**Monopoli Termination Agreement.** Under the terms of Mr. Monopoli’s offer of employment, should Mr. Monopoli’s employment be terminated by the Company for a reason other than death, Disability or Cause, or should Mr. Monopoli resign for Good Reason (as defined in the Company’s 2012 Incentive Plan), then, subject to signing and not revoking a general release in a form acceptable to the Company, Mr. Monopoli will be paid: (i) payment equal to 50% of his salary in effect at the time of termination payable in 6 semi-monthly installments; (ii) the amount, in the good faith determination of the Board, earned as of his termination date, under the bonus component of the then applicable bonus plan; and (iii) at the Company’s election either continuation of benefits, the extent permissible under the applicable employee benefit plans in which he is a participant, for the 6 months after the termination date, or a lump sum payment, in lieu of the continuation of some or all benefits, in an amount determined by the Board in its discretion.

**Change of Control.** As discussed above under “Equity Awards” each of our named executive officers has been awarded stock option grants that have vested or that will vest and will become immediately exercisable upon achievement of certain financial metrics or the date on which a change of control of the Company occurs.
**Director Compensation for 2017**

Non-employee directors of the Company receive cash and equity compensation. For 2017, each non-employee director received on or about the date of the annual meeting of shareholders (i) an option to acquire 70,000 shares of common stock at an exercise price equal to the closing price of the Company’s stock on the date of grant, which shall vest on the date of the next annual meeting of shareholders of the Company; and (ii) a grant of 30,000 restricted shares of common stock which shall vest on the date of the next annual meeting of shareholders. A non-employee director who is appointed to the board at a date other than the annual meeting will be granted a pro-rata number of options (at an exercise price equal to the closing price on the date of grant) and restricted stock, each of which shall fully vest on the date of the next annual meeting of shareholders. All such equity compensation shall be granted pursuant to the 2012 Plan.

In addition to the equity compensation set forth above, the board committees received cash compensation. Specifically, an annual retainer for each non-employee director serving as a member of a committee as follows: Audit Committee - $4,000; Compensation Committee - $4,000; and Nominating and Corporate Governance Committee - $2,500. Committee chairs received cash compensation as follows: Audit Committee - $7,500; Compensation Committee - $7,500; and Nominating and Corporate Governance Committee - $5,000. Security Ownership of Certain Beneficial Owners and Management

The following table sets forth certain information regarding the Company’s Common Stock owned as of April 9, 2018 by (i) each person who is known by the Company to beneficially own more than 5% of its outstanding Common Stock, (ii) each director and each of the Company’s current named executive officers, and (iii) all executive officers and directors as a group without naming them. Beneficial ownership is determined in accordance with the rules of the SEC. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of Common Stock subject to options or warrants held by that person that are currently exercisable or will become exercisable within 60 days after April 9, 2018, are deemed outstanding and included in both the numerator and the denominator of the calculation of percentage ownership; however, such shares are not deemed outstanding for purposes of computing the ownership percentage of any other person.

PROPOSAL 2
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Relationship with Independent Public Accountants

PKF O’Connor Davies, LLP (“PKF”) has been the Company’s independent registered public accounting firm since October 19, 2006. The board of directors, upon the recommendation of the Audit Committee, has reappointed PKF as the Company’s independent registered public accounting firm for the 2018 fiscal year. Although the selection and appointment of independent auditors is not required to be submitted to a vote of shareholders, the board of directors deems it desirable to obtain the shareholders’ ratification of this appointment as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will reconsider whether to retain PKF. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders. Representatives of PKF are expected to be present at the Meeting and will have the opportunity to make statement and to respond to appropriate questions from the Company’s shareholders.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee will pre-approve all auditing services and the terms thereof (which may include providing comfort letters in connection with securities underwriting) and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board) to be provided to us by the independent auditor; provided, however, the pre-approval requirement is waived with respect to the provisions of non-audit services for us if the “de minimus” provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. This authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who shall present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision. The Audit Committee may review and approve the scope and staffing of the independent auditors’ annual audit plan.

The Audit Committee approved all of the non-audit services described above. Additionally, the Audit Committee has reviewed the non-audit services provided by the principal accountants and determined that the provision of these services during fiscal years 2017 and 2016 are compatible with maintaining the principal accountants’ independence.

The affirmative vote of a majority of the votes cast by holders of shares entitled to vote thereon at the Meeting (in person or by proxy) is required for ratification of the appointment of PKF as the Company’s independent registered public accounting firm for the 2018 calendar year.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” PROPOSAL 3 RELATING TO THE RATIFICATION OF THE SELECTION OF PKF O’CONNOR DAVIES, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR FISCAL 2018. PROXIES SOLICITED BY THE BOARD WILL BE VOTED “FOR” RATIFICATION OF PKF O’CONNOR DAVIES, LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM UNLESS SHAREHOLDERS SPECIFY A CONTRARY VOTE.
SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers and directors and the holders of greater than 10% of our common stock to file initial reports of ownership and reports of changes in ownership with the SEC. Executive officers and directors are required by SEC regulations to furnish us with copies of these reports. Based solely on a review of the copies of these reports furnished to us and written representations from such executive officers, directors and shareholders with respect to the period from January 1, 2017 through December 31, 2017, the Company believes that the Company’s executive officers, directors and greater than 10% beneficial owners have complied with all Section 16(a) filing requirements.

OTHER MATTERS

The Meeting will take place at the offices of Bryan Cave Leighton Paisner LLP, 1290 Avenue of the Americas, 35th Floor, New York, New York 10104. The board of directors knows of no business that will be presented for consideration at the Meeting other than those items stated above. If any other matters should properly come before the Meeting, it is intended that proxies named in the accompanying proxy form will vote on any such matters in accordance with their judgment.

The Company will pay the cost of soliciting proxies. In addition to solicitation by use of the mails, proxies may be solicited from the Company’s shareholders by the Company’s directors, officers and employees in person or by telephone, telegram or other means of communication. Such directors, officers and employees will not be additionally compensated but may be reimbursed for reasonable out-of-pocket expenses incurred in connection with such solicitation. Arrangements will be made with brokerage houses, custodians, nominees and fiduciaries for forwarding of proxy materials to beneficial owners of shares held of record by such brokerage houses, custodians, nominees and fiduciaries and for reimbursement of their reasonable expenses incurred in connection therewith.

The Company will only send one set of proxy materials to two or more shareholders who share one address, unless we have received contrary instructions from one or more of the shareholders at that address. This procedure is referred to as “householding.” Each shareholder subject to householding will continue to receive a separate proxy card or voting instruction card.

We will promptly deliver, upon written or oral request, a separate copy of our annual proxy materials to a shareholder at a shared address to which a single copy was previously delivered. If you received a single set of proxy materials for this year, but you would prefer to receive your own copy, you may direct requests for separate copies to Michael Kandell, Secretary, Wireless Telecom Group, Inc., 25 Eastmans Road, Parsippany, New Jersey 07054 or call us at (973) 386-9696. These requirements are separate from and in addition to the SEC’s requirements that a shareholder must meet in order to have a shareholder proposal included in our proxy statement.

Shareholders interested in submitting a stockholder proposal for inclusion in the proxy materials for the annual meeting of shareholders in 2019 may do so by following the procedures prescribed in SEC Rule 14a-8. To be eligible for inclusion, shareholder proposals must be received by our Secretary at our principal executive office specified on page 1 of this proxy statement, no later than December 27, 2018.

By Order of the Board of Directors,
